

Sage Pastel Payroll & HR Partner 5in1

Trusted, easy-to-use Payroll
& HR software, giving you the
confidence to grow your business.
Ideal for any size business.

Have peace of mind that your payroll data is safe and secure

Business is risky and stressful enough. So let us take care of your Payroll & HR needs. We'll help you cut your workload, giving you more freedom to achieve your business goals. Our Payroll, HR and Self-Service software offers you a range of tools to work smarter and more efficiently, making you and your staff's lives so much simpler. What's more, to save you money, you get five products at one price. And – you always have real people to support you. Whenever you get stuck, there's a knowledgeable person just a call or email away.

What our software can do for you

- Employees can apply for leave, submit travel claims and update their personal details online or via their smartphone.
- If your staff make use of online or mobile applications, your desktop payroll solution can be updated automatically. Eliminating any manual recapturing.
- Your HR needs, such as hiring staff and performance management, will be taken care of.
- Put all of your staff (or specific departments) on leave or give them a salary increase with one click.
- Calculate cost-to-company packages in seconds.
- Transfer funds to medical aids, provident funds or any other 3rd party vendor.
- Do payroll whenever it's convenient for you - weekly, fortnightly or monthly.
- Become a payroll know-it-all with our RSS Feeds, which keep you up-to-date with legislative changes, important industry news and new software releases and features.
- Our software assistants help you become a payroll expert.
- We've given you all the templates for your transactions and the freedom to create your own.
- Add that professional edge by using our pre-printed, customisable and confidential payslips. What's more, you can customise them by adding your logo.

- Put away the calendar and calculator. With us, leave is made easy.
